Third Call

Doing Qualitative Research: Processes, Issues and

The Qualitative Research Association of Malaysia and Institute of Research Management and Consultancy, University Malaya will be hosting the 4th International Qualitative Research Convention in 2007 (QRC2007). The Qualitative Research Convention is held biannually, and the theme for QRC2007 is "Doing Qualitative Research: Processes, Issues and Challenges".

The objectives of QRC2007 are:

- to provide a better understanding of what constitutes qualitative research
- to enhance knowledge of qualitative inquiry

Speakers/facilitators include:

- **Julienne Meyers**, City University, London (Participatory action research)
- **Carolyn Ellis**, University of South Florida, USA (Ethics and qualitative reporting)
- **Jennifer Greene**, University Illinois at Urbana-Champaign, USA (Mixed-methods)
- **Patricia Bazeley**, Research Support P/L, Australia (Analytic strategies for qualitative data)
- **Marohaini Yusoff**, University of Malaya (Qualitative research processes)
- **Esther Daniel**, University of Malaya (Technology in qualitative research)
- **Michael Jones**, University of Wollongong, Australia (Qualitative Analysis Software using NVivo 7)

We welcome:

- (1) original qualitative research in the fields of social, behavioral, health, and human sciences.
- (2) discussions on methodological issues related to qualitative research.

Presentations formats include:

- Symposia/Panel Discussion
- Paper presentations
- Posters
- CIT sessions

QRC2007 Language: English and Malay

Submit an **extended summary** of not more than 1000 words (in addition to a 300-word **abstract** for panel discussions) as an email attachment to qrc2007@gmail.com.

Important Dates

- Deadline for proposal submissions: **April, 2007**
- Notification of acceptance: **May, 2007**
- Deadline for early registration: **June, 2007**
- Deadline for submission of full papers: **July, 2007**
- Deadline for registration for inclusion in the programme: **15 August, 2007**
